IAGPC-G

MEMORANDUM FOR ADCSOPS-HUMINT

SUBJECT: Briefing for Senate Appropriations Committee (SAC) Staffers (U)

1. (FOUO) On 29 June 1982, from 0945 - 1200 hours, an information briefing was conducted for SAC staffers at building T-2561, Fort Meade. Briefing was arranged by OACSI (MAJ Fox) and GDIP Staff (Ms Scambos). Attendees were;

SAC:	Mr Dwight Dyer	- Staff Member
	Ms Susan Shekmar	- Staff Member
	Mr Fred Rhodes	- Staff Member
DIA:	Dr Jack Vorona	- Assistant Vice Director for Scientific and Technical Intelligence
OACSI:	MAJ Gerald Fox	- GRILL FLAME Project Officer
	Mr Craig Miller	- Budget Officer

2. (U) Agenda is at inclosure 1.

3. (S/NOFORN) Dr Vorona opened with the history of government involvement in parapsychology; how DIA became interested and the current 3 year program with SRI International. He informed the staffers of the current SRI efforts in developing a new training program and work to validate Chinese experiments in detection of psychic intrusion. He also discussed the current funding difficulty and solicited the SAC Staffs' support for FY 83.

4. (U) Summary of INSCOM presentation is at inclosures 2 - 6.

5. (S/NOFORN) The briefing was well received. The SAC Staffers appeared to have no pre-conceived opinions concerning parapsychology or our use of remote viewing as a collection method. Their questions concerning operating protocols, selection of personnel and projects covered during the briefing were all answered satisfactorily. In the concluding discussion, it was brought out that the SAC had supported the DOD project in the past.
